To

The Executive Officer,
Remuna NAC

Sub: Tender for the Work :- Supplying and fixing of different type of FRP statue, fountain, ornamental items, Lighting system, benches, bollads, 2D/3D wall painting, cement works etc of Remuna NAC.

Dear Sir,

With reference to the above, we are to inform you that in response to your above referred NIT, we have downloaded the Detailed Tender Call Notice (DTCN) and that after having thoroughly examined the same, we hereby tender for the work to execute the work within the stipulated time and in conformity with the relevant clauses of the DTCN along with all related statutory rules and regulations for the amounts as quoted in the accompanying price bid.

2) I/We have studied, acquainted and satisfied ourselves with the site/ area and its working conditions for the successful and timely completion of the work.

3) I/We are submitting herewith Bar Chart to complete the work in time.

4) Our offer is unconditional and is in conformity with the requirements of the DTCN. We understand that any additional condition put by us in the tender/ EoI shall make our tender liable for rejection.

5) I/We understood that you are not bound to assign any reason in case of rejection of our tender.

6) I/We agree to keep our offer open for a minimum of 90 (ninty) days from the date of opening of the Price bid. Further extension of validity will be our prerogative.

Should this tender be accepted, we hereby agree to abide by and fulfill all the terms and provisions of this Detailed Tender Call Notice (DTCN).

Thanking

Yours faithfully,

Signature of the Bidder

Executive Officer
Remuna N.A.C

DECLARATION BY THE TENDERER

1. I have visited the site/ area and have fully been acquainted myself with the local situation regarding materials, labour and the factors pertaining to the work before submitting the tender.

2. I have carefully studied the conditions of the contract, specification and other documents of this work and I agree to execute the same accordingly.

3. I solemnly pledge that I shall be sincere in discharging my duties as responsible bidder and complete the work within the prescribed time limit. I shall submit detailed construction/ errection programme with target dates for various items and stages of work keeping in view the time limit and shall accordingly arrange for necessary labours, materials, and equipments etc., punctually. In case there are deviations from the construction programme, I shall abide by the decision of the Engineer-in-charge for revision of the programme and shall arrange for labour, materials, equipments etc.

4. I shall follow all rules and regulations of the state in force with regard to engagement of labour for the work.

5. The documents furnished with the tender are correct to the best of my knowledge and belief and if any information found to be incorrect in future, the Department has the liberty to take any action as deemed fit.

iii	70 ltr capacity	1 set	Each		
iv	80 ltr capacity	1 set	Each		
32	Supply and fixing of FRP **ornamental animal shaped chair** for selfy zone with height 4 ft or different type of animal figure or 12 to 15 sqft realistic ornamental FRP relief art with supply of material colour etc complete all taxes as per direction of EIC.	1 set	Each set		
33	Supply and Fixing of Twin hanging Stainless Steel Dustbin(304) with their S.S stand height 1 Mtr width 1 Mtr. @ 40 ltr each	1 set	Set		
34	Supply and fixing of **FRP heart with height 4 ft** appreciate speciation is made with MS frame finish with FRP work supply of material colour etc complete all taxes as per direction of EIC	1 set	Set		
35	Supply and fixing of **FRP letter with height 3 ft** appreciate speciation is made with MS frame finish with FRP work supply of material colour etc complete all taxes as per direction of EIC.	1 set	Set		
36	Supply and fixing of **FRP letter with height 4 ft** appreciate speciation is made with MS frame finish with FRP work supply of material colour etc complete all taxes as per direction of EIC.	1 set	Set		
36	Supply and fixing of **ornamental FRP burst size realistic half statue** of different figures leaders, freedom fighters etc with height 2 ft complete all taxes as per direction of EIC	1 set	Set		
37	Supply and fixing of FRP ornamental animal shaped chair for Selfy zone with height 4ft or different type of animal figure or 12 to 15 sqft realistic ornamental FRP Relief ART with supply of material colour etc complete all taxes as per direction of EIC	1 set	Set		
38	Supply and fixing of Selfy zone make with a life size statue in seating posture on MS decorative chair with 4to 5 feet in length for selfy purpose with supply of material colour etc complete all taxes as per direction of EIC	1 set	Set		
39	Supply and fixing of Life Size realistic Bronze Statute of different figures or other different modern Art with height 10 ft and8 to 10 mm thickness made of alloy proportion of bronze(copper-70%,Zinc-25%,Tin-5%)etc with complete all taxes as per direction of EIC	1 set	Each Set		
40	Supply and fixing of **ornamental FRP life size realistic full statue** of different figures leaders, freedom fighters or other different modern art etc with height 5 to 6 ft complete all taxes as per direction of EIC	1 set	Each Set		
41	Providing, supplying all labours, materials, T&P for construction of ornamental FRP finish pedestal for Dandi Yatra posture having length of 45'-0", wide 5'-0" to 6'-0" and height upto 5'-0" (ev.) from the ground level (pindi). All internal structure of pedestall will be made up by GI structure (main structure pillars 4" B class GI pipe and supporting structure will be 2", 11/2" & 0'-1" in GI angle. All the GI structure is colour by epoxy paint and other surface of structure is finish by store work finish as per direction of EIC with supply all metrials, GI pipe, angle, FRP resin, mat and chemical, colour with etc all complete.	1 set	Each Set		
42	Providing, supplying all labours, materials, T&P for construction of installation of 11 (Eleven) nos of life size FRP statue of Dandi yatra posteras per drawing. Statue of Mahatma Gandhi height will be 7'-0" to 8'-0" and other 10 statue will matching to Mahatma Gandhi statue with supply all metrials, GI pipe, angle, FRP resin, mat and chemical, colour with etc all complete as per direction of EIC.	1 set	Each Set		
43	Supply and fixing of an Ornamental Structure on the topic of Gita Updesh which consist of 1 no of FRP made Chariot with 4 no of life size Horses height upto 5-6 ft .Total length of the Stricture is 25-30ft and 1 no of life size standing statue of Prince Arjun with their Bow and Arrow and 1 no of life size seating statue of Lord Krishna in posture of control the Horses of chariot and dialogue delivery to prince Arjun and Supply of 1 no of ornamental canopy on the chariot and complete height of the total structure is 50-70 ft with supply of all materials Pipe, MS Angle, MS rod, FRP Resin, Mat, Chemical, Colour and Labour etc with Complete all as per direction of E.I.C	As per requirement	Each Set		
44	Supply and fixing of 5-6 ft height different type of ornamental statue/ Sculpture with including cost of all labour, materialsl, T&P etc all complete as per direction of EIC.	1 set	Set		

Executive Officer
Remuna N.A.C

	Supply and fixing of **ornamental FRP life size realistic full statue human evolution** (5-6 nos) etc with height 3 to 6 ft complete all taxes as per direction of EIC	1 set	Set		
46	Supply and fixing of **ornamental FRP Football with dia 5ft and top of the ball** fixing different type of ornamental life size statue with height 2 ft to 5 ft all frame inside the statue is made by MS angle with complete all taxes as per direction of EIC	1 set	Each Set		
47	Supply and fixing of **FRP ashok stamba with height 3 to 4 ft** etc with including cost of all labour, T&P material with all taxes complete as per direction of EIC	1 set	Each Set		

Executive Officer
Remuna N.A.C.

48	**Surya Namaskar structure** Made out of FRP 1- Construction of ornamental pedestal of minimum 10 ft. from ground level, length of pedestal 45 ft and top of pedestal 35 ft Total structure is to be made up with MS angle and pipe finish with FRP material as per drawing with complete of all labor, T&P material with all taxes complete as per direction of EIC. 2- Supply and fixing of 12 nos of human figure with surya namaskar posture with minimum height of human body of 5 ft with complete of all labor, T&P material with all taxes as per direction of EIC 3- Supply and fixing of 12 nos of LED 3 changing colour RBG12 watt (IP-67) light with their control panel with laying of all cable as required with complete of all labour, T&P material with all taxes complete as per direction of EIC	1 set	Each Set		
49	Supply and fixing of **plier model modern art with height 5 ft to 6ft in sitting posture** made within FRP material and sitting on MS structure bench with length 4.6 ft with height 2 ft with complete as per drawing.	As per requirement	Each No		
50	Supply and fixing of Stone Statue pedestal with size-600mm x 600mm x 450mm which is made of with Red Sand Stone with supply of all materials, labour etc with complete all as per direction of E.I.C.	As per requirement	Each No		
51	Supply and fixing of Ornamental Stone Statue with Height 3-5ft which is made of with Red Sand Stone with supply of all materials, labour etc with complete all as per direction of E.I.C.	As per requirement	Each No		
52	Supply and fixing of **holloman modern** art height up to 7ft made with FRP and MS material finish	As per requirement	Each No		
53	Supply and fixing of different type of **FRP garden sculpture** with height 4ft with including cost of all labour, material with complete as per direction of EIC	As per requirement	Each No		
54	Supply and fixing of Holloman modern art height up to 7 ft made with FRP and MS material finish.	As per requirement	Each No		
54	Supply and fixing of 5-6 ft height different type of **ornamental statue,** ornamental Sculpture etc with including cost of all labour, T&P material with all taxes complete as per direction of EIC	As per requirement	Each No		
55	Supply and fixing of FRP **ornamental boarder** with width 6" inch including cost of all labour, T&P material with all taxes complete as per direction of EIC	As per requirement	Each rft		
56	Supply and fixing of Life Size realistic ornamental FRP full statue of complete Human evolution (5-6 nos) etc with height 3 to 6 ft complete all taxes as per direction of EIC	As per requirement	Each rft		
57	Supply and fixing of Ornamental FRP Football with dia 5ft and top of the ball fixing different type of ornamental life size statue with height 2ft to 5ft.all frame inside the statue is made by MS angle with complete all taxes as per direction of EIC	As per requirement	Each rft		
58	Supply and fixing of FRP Ashok Stamba with height 3 to 4 ft Etc. with including cost of all labour, T&P material with all taxes complete as per direction of EIC	As per requirement	Each rft		
59	Supply and fixing of FRP modern art with **sea-saw posture and show a educational message** to society which consist of 1no of GI heavy quality see-saw and 1 no of small girl figure with so many books and 1 no of big ornamental statue of a boy with one book with including cost of all labour, T&P material with all taxes complete as per direction of EIC	As per requirement	Each No		
60	Supply and fixing of sets of a **modern art with on a religious topic** which consist of supply ornamental life size cow and a calf with life size statue of lord krishna and with his friend sudama in standing posture with including cost of all labour, T&P material with all taxes complete as per direction of EIC	As per requirement	Each No		
61	Supply, Installation of 6 no of **ornamental FRP frog with height 4ft** of different design and shape with music system. supply rod, FRP Resin, mat, chemicals, colour etc with complete all as per direction of EIC	As per requirement	Each No		
62	Construction of **ornamental FRP high relief art based on different culture and design art** work on the topic of kanchi aviyan, mahabharat, ramayan etc with supply of labour, materials, colour etc with complete all as per direction of EIC	As per requirement	Each Sqft		

Executive Officer
Remuna N.A.C

	Supply and fixing of FRP **ornamental decorative pillar with Mundull inside the pillar is fill up** with RCC material with including cost of all labour, Colour, material etc with complete all as per direction of EIC				
i	Height 10 ft with dia 10- 12 inch	1 set	Each		
ii	Height 8 ft with dia 10- 12 inch.	2 set	Each		
iii	Height 6 ft with dia 10- 12 inch.	3 set	Each		
iv	Height 5 ft with dia 10- 12 inch.	4 set	Each		
v	Height 4 ft with dia 10- 12 inch.	5 set	Each		
64	Providing, fabricating and fixing a GI pipe framework comprising 40 mm diameter GI pipes bent into 1200 mm diameter half circles, continuously welded at 600 mm centre-to-centre spacing to 100 mm × 50 mm MS rectangular hollow section (RHS) members arranged in an inter-cross pattern, including cutting, bending, welding, grinding, edge preparation, alignment, drilling wherever required, assembling, erecting and fixing in position, complete with all labour, materials, welding electrodes, consumables, tools and plants, scaffolding, loading, unloading, transportation, and all incidental charges, complete in all respects as per the approved drawing, specifications and the direction of the EIC.	As per requirement	rmt		
65	Providing, fabricating and fixing a decorative GI and Cast Iron (CI) framework comprising 2 (two) Nos. of 50 mm × 50 mm MS Rectangular Hollow Section (RHS) members provided at the top and bottom as supporting members, with ornamental CI grill jali fixed within the frame and 150 mm high ornamental CI arrowheads provided continuously at 250 mm centre-to-centre spacing along the top member, including cutting, drilling, edge preparation, alignment, welding, grinding, fabrication, assembling, erecting and fixing in position, complete with all labour, materials, CI ornamental grill jali, CI arrowheads, MS RHS sections, welding electrodes, nuts, bolts and fasteners wherever required, consumables, tools and plants, scaffolding, loading, unloading, transportation, surface preparation and all incidental charges, complete in all respects as per the approved drawings, technical specifications and the direction of the EIC.	As per requirement	rmt		
66	Providing, fabricating and fixing a ornamental decorative bericat which is consit of different size of GI pipe height verying from 15 inchs to 21 incs above ground level and 9 inchs below the ground for support ang fixing of 50 mm dia ms bulb on top in each pipe and finish with auto paint with all complete in all respects as per the approved drawings, technical specifications and the direction of the EIC.	As per requirement	rmt		
67	Providing, fabricating and fixing a ornamental decorative bericat which is consit of 40 mmsize of GI pipe height verying from 2 feet to 3 feet above ground level 6 inchs center to center distance and 9 inchs below the ground for support ang fixing of 50 mm dia ms bulb on top in each pipe, The height will be gradually reduce to center point and hen increse and the save will curve in shape including cutting, drilling, edge preparation, alignment, welding, grinding, fabrication, assembling, erecting and fixing in position, complete with all labour, materials, consumables, tools and plants, scaffolding, loading, unloading, transportation, surface preparation and all incidental charges, complete in all respects as per the approved drawings, technical specifications and the direction of the EIC.	As per requirement	rmt		
68	**GARDEN BENCH Model Ashok Chakra** Length of bench will be 1500 mm, Rectangular shape, Seating capacity- 3 persons, made of 40 mm dia, 3 mm thick GI leg with Cast iron Ashok Chakra 2nos. FRP seating strips 4 mm thickness, 85 mm wide 8nos (4+4) , Fasteners and plastic end caps for strips 16 nos, Strip colour White Granite look, Finished cast iron Ashok Chakra, GI leg and frame Colour- Black, Fix the bench through bolting. Photo in Annexure	1 set	each		
69	**GARDEN BENCH Model Leaf** Length of bench will be 1500 mm, Rectangular shape, Seating capacity- 3 persons, made of Cast iron leg of Leaf 2nos. FRP seating strips 4 mm thickness, 85 mm wide 8nos (4+4) , Fasteners and plastic end caps for strips 16 nos, Strip colour White Granite look, Finished cast iron leaf, frame and leaf Colour- Black, Fix the bench through bolting. Photo in Annexure	1 set	each		

Executive Officer
Remuna N.A.C

70	**GARDEN BENCH Model** Length of bench will be 1500 mm, Rectangular shape, Seating capacity- 3 persons, made of cast iron frame with leg 2nos. FRP seating strips 4 mm thickness, 85 mm wide 8nos (4+4) , Fasteners and plastic end caps for strips 16 nos, Strip colour White Granite look, Finished cast iron, frame and leg Colour- Black, Fix the bench through bolting. Photo in Annexure	1 set	each		
71	**GARDEN BENCH without back rest** Length of bench will be 1200 mm, Rectangular shape, Seating height 450 mm, Seating capacity- 3 persons, made of Cast iron leg 2 nos. FRP seating strips 4 mm thickness, 85 mm wide 4 nos, Fasteners and plastic end caps for strips 8 nos, Strip colour Wooden finished, cast iron leg and frame colour- Black, Fix the bench through bolting. Photo in Annexure	1 set	each		
72	**TRAFFIC BOLLARD 150 mm dia** Bollards made of 150 mm dia 3 mm thick MS pipe, 1000 mm above ground level and 150 mm below Ground level, MS round shape cap welded on the head of the pipe and One square plate of 20 gauges to be welded in the end to hold the concrete, fixing 3 no of rings of 10 mm square barat top below cap in equal interval colour the gap and bollards, grouting the bollards wiith cement concrete. Photo in Annexure	1 set	each		
73	**TRAFFIC BOLLARD 100 mm dia** Bollards made of 100 mm dia 3mm thick MS pipe, 1000 mm above ground level and 150 mm below Ground level, MS round shape cap welded on the head of the pipe and One square plate of 20 gauges to be welded in the end to hold the concrete, fixing 3 no of rings of 10 mm square barat top below cap in equal interval colour the gap and bollards, grouting	1 set	each		
74	Supply and fixing of **MS fabricated ornamental light post** height up to 7 to 8 feet and inside the pole with Including required pipe line and cable 1.5" mm inside the pole, supply and fixing of decorative LED light (Crompton CG) with complete all labour , T&P materials with all taxes complete as per direction of EIC	1 set	Each No		
75	Supply and installation of tapered, cylindrical lighting pole made of high strength **cast iron**, designed, decorative and ornamental for outdoor lighting application. The base end has a larger diameter with base plate and anchor bolt for foundation mounting, stability and strength, while the upper end taper to a smaller diameter reducing collars for fitting luminaire brackets or lamp heads. The taper provides both structure integrity and on aesthetic profile, reducing wind resistance. The pole is generally hollow to allow internal routing of electrical wiring, corrosion resistant finish.The size of foundation will be 600 mmx 450 mm x 800 mm. and including earth work, sandfilling 100 mm, PCC (1:3:6) 100 mm, M20 and MS rod.				
i	2.50 meter long	As per	Each		
ii	3.00 meter long	As per	Each		
iii	3.50 meter long	As per	Each		
iv	4.00 meter long	As per	Each		
76	Supply and installation of reducing MS lighting pole made of high strength hot dip galvanized **MS pipe** with cast iron base and reducing collar designed, decorative and ornamental for outdoor lighting application. The base end has a larger diameter with base plate and anchor bolt for foundation mounting, stability and strength, while the upper end taper to a smaller diameter reducing collars for fitting luminaire brackets or lamp heads. The taper provides both structure integrity and on aesthetic profile, reducing wind resistance. The pole is generally hollow to allow internal routing of electrical wiring, corrosion resistant finish. The size of foundation will be 600 mmx 450 mm x 800 mm. and including earth work, sandfilling 100 mm, PCC (1:3:6) 100 mm, M20 and MS rod.				
i	2.50 meter long	As per	Each		
ii	3.00 meter long	As per	Each		
iii	3.50 meter long	As per	Each		
iv	4.00 meter long	As per	Each		

Executive Officer

	Supply, fabrication and installation of decorative Singie/ double arm rought iron lighting bracket, made of mild steel with ornamental scrolls, goldern highlights, leafe motifs, collars and finish glvanized and PU/ powder coated, suitable for mounting on decorative pole and supporting luminaires up to 20 kg per arm, welding, grinding, finishing complete as per specification and direction of EIC.				
i	Single arm (Size 850 mm x 620mm)	As per requirement	Each No		
ii	Double arm (Size 850 mm x 1200mm)	As per requirement	Each No		
78	2 Supply, fabrication and installation of decorative Single/ double-arm lighting bracket, manufactured from MS/ CI, hot-dip galvanized and PU/powder coated with ornamental motifs, suitable for mounting on decorative pole and supporting luminaires up to 20 kg per arm, complete as per specification and direction of EIC.	As per requirement	Each No		
i	Single arm (Size550 mm x 520mm)	As per requirement	Each No		
ii	Double arm (Size 550 mm x 1000mm)	As per requirement	Each No		
79	Supply & installation of decorative outdoor luminaire post-top heritage type, die-cast aluminum housing with clear/opal acrylic globe (dia ~295 mm, ht ~600 mm), IP65 protection, E27/E40 lamp holder suitable for LED 18–60 W, corrosion-resistant powder coated finish, mounted on decorative CI/MS pole (65–76 mm entry), complete with all accessories, wiring & testing as required.				
		As per	Each		
i	25 watt	As per	Each		
ii	50 watt	As per	Each		
80	Supplying, fitting and fixing Decorative Outdoor Lamp, die-cast aluminium body with golden highlights, UV-stabilized polycarbonate/glass ribbed globe, approx. 580 mm height × 335 mm dia, suitable for retrofit LED lamp (18W–30W, E27/E40), complete with weather-resistant coating, wiring connection and fixing on post/bracket/pillar as required, all complete as per design and direction of Engineer-in-Charge	As per requirement	Each No		
		As per	Each		
i	25 watt	As per	Each		
ii	50 watt	As per	Each		
81	Supplying, fitting and fixing Decorative Outdoor Lamp, die-cast aluminium body with golden highlights, UV-stabilized polycarbonate/glass ribbed globe, approx. 480mm height × 360 mm dia, suitable for retrofit LED lamp (15W–24W, E27 type), complete with weather-resistant powder coating, wiring connection and fixing on post/bracket/pillar as required, all complete as per design and direction of Engineer-in-Charge.	As per requirement	Each No		
		As per	Each		
i	25 watt	As per	Each		
ii	50 watt	As per	Each		
82	Supplying, fitting and fixing Decorative Outdoor Lamp (Model VGL-004-U), die-cast aluminium body with golden highlights, UV-stabilized polycarbonate/glass tear-drop globe, approx. 600 mm height, IP65 protection, suitable for E27/E40 holder LED/CFL/HPSV/MH lamp, complete as required." 84	Supply and lying 6 sqmm -2core aluminum armoured cable with digging of trench, lying of HDPE pipe etc with complete all.	As per requirement	rmt		
85	Supply and lying 1.5 -2core copper round flexible cable with digging of trench, lying of HDPE pipe etc with complete all.				

Remuna N.A.C

Officer
Remuna N.A.C

86	Supply and lying 2.5 -2core copper round flexible cable with digging of trench, lying of HDPE pipe etc with complete all.	As per requirement	rmt		
87	Supply and lying 10 sqmm -2core aluminum armoured cable with digging of trench, lying of HDPE pipe etc with complete all.	As per requirement	rmt		
88	Supply and lying 6 sqmm -3core aluminum armoured cable with digging of trench, lying of HDPE pipe etc with complete all.	As per requirement	rmt		
89	Supply and lying 1.5 -3core copper round flexible cable with digging of trench, lying of HDPE pipe etc with complete all.	As per requirement	rmt		
90	Supply and lying 2.5 -3core copper round flexible cable with digging of trench, lying of HDPE pipe etc with complete all.	As per requirement	rmt		
91	Supply and lying 10 sqmm -3core aluminum armoured cable with digging of trench, lying of HDPE pipe etc with complete all.	As per requirement	rmt		
92	Supply and fixing of 1mtr length GI Earthing electrode with their required chemical with digging of soil, fixing of electrode and laying of chemical etc with complete all.	As per requirement	each		
93	Earth work in all kind of soil within 50 m Initial lead and 1.50 m initial lift including rough dressing and bracking clods to maximum 5 cm to 7 cm and laying in layers not exceeding 0.30 m in depth and as per the direction of the EIC.	As per requirement	cum		
94	Earth work excavation in foundation in all kind of soil within 50 m Initial lead and 1.50 m initial lift including rough dressing and bracking clods to maximum 5 cm to 7 cm and laying in layers not exceeding 0.30 m in depth and as per the direction of the EIC.	As per requirement	cum		
95	Fine dressing of earth work in ordinary or hard soil in road formaton according to the direction of the department including cutting or filling earth upto 0.15 m depth of surface.	As per requirement	sqm		
96	Filling in foundation and plinth with sand watered and rammed as per OPWD specification including all cost of materials, labour, conveyance, royalty, cess, Tools and Plants etc.all complete,required for the work to finished items.	As per requirement	cum		
97	PCC (1:3:6) with 40 mm size HG metal including all cost of materials, labour, conveyance, royalty, T&P, water for curing etc all complete.	As per requirement	cum		
98	Fly ash bricks 25 cm x 12 cm x 8 cm size having C/S > 75 kg/cm2 in CM (1:4) in foundation and plinth including cost of materials, labour, royalty, conveyance, Tools and Plants, water for curing etc. all complete as per OPWD specification required for the work to finished items of work.	As per requirement	cum		
99	Fly ash bricks 25 cm x 12 cm x 8 cm size having C/S > 75 kg/cm2 in CM (1:6) in foundation and plinth including cost of materials, labour, royalty, conveyance, Tools and Plants, water for curing etc. all complete as per OPWD specification required for the work to finished items of work.	As per requirement	cum		
100	Fly ash bricks 25 cm x 12 cm x 8 cm size having C/S > 75 kg/cm2 in CM (1:6) in super structure including cost of materials, labour, royalty, conveyance, Tools and Plants, water for curing etc. all complete as per OPWD specification required for the work to finished items of work.	As per requirement	cum		
101	Cement concrete work of M20 grade with 20 mm and down grade crusher broken hard granite chips including hosting and laying all cost of materials, labour, conveyance, royalty, cess, Tools and Plants water for curing etc. all complete,as per OPWD specification required for the work to finished items of work.	As per requirement	cum		
102	Requirement of HYSD / MS rod & labour for cutting, bending, binding, straighting and laying the grills and placing in position including cost of rod & binding weir 18 to 20 gauge, cess.	As per requirement	cum		
103	Rigid and smooth centering and shuttering for CC works in foundation and plinth band and footings bases of columns mass concrete pre-cast slabs etc including false work and dismentalling then after casting including cost of materials, cess complete in ground floor.	As per requirement	cum		
104	Rigid and smooth centering and shuttering for RCC beams, column, grider and bressmer etc including false works and dismantling them after casting including cost of materials complete in GF.	As per requirement	cum		
105	12 mm thick cement plaster (1:4) for brick work including cost of materials, labour, royalty, conveyance, Tools and Plants, water for curing etc. all complete as per OPWD specification required for the work to finished items of work.	As per requirement	sqm		

6	12 mm thick cement plaster (1:6) for brick work including cost of materials, labour, royalty, conveyance, Tools and Plants, water for curing etc. all complete as per OPWD specification required for the work to finished items of work.	As per requirement	sqm		
107	16 mm thick cement plaster (1:6) for brick work including cost of materials, labour, royalty, conveyance, Tools and Plants, water for curing etc. all complete as per OPWD specification required for the work to finished items of work.	As per requirement	sqm		
108	Cement washing one coats including cost of materials, labour, conveyance, T&P, water for curing etc. all complete as per OPWD specification required for the work to finished items of work.	As per requirement	sqm		
109	Cement washing two coats including cost of materials, labour, conveyance, T&P, water for curing etc. all complete as per OPWD specification required for the work to finished items of work.	As per requirement	sqm		
110	Finishing walls with one coat water proofing weather coat cement paint of approved make including cost of caffolding staging charges with cost of all materials taxes, labour T&P etc complete.	As per requirement	sqm		
111	Finishing walls with two coatwater proofing weather coat cement paint of approved make including cost of caffolding staging charges with cost of all materials taxes, labour T&P etc complete.	As per requirement	sqm		
112	Painting 1 coats to MS grills and gates with approved paints including cost of labour, materials, paint, brushes, clearing, scraping etc all compete.				
113	Painting 2 coats to MS grills and gates with approved paints including cost of labour, materials, paint, brushes, clearing, scraping etc all compete.	As per requirement	sqm		
114	Blinding road surface with crusher dust including cost of materials, labour, royalty, conveyance, Tools and Plants etc. all complete as per OPWD specification required for the work to finished items of work.	As per requirement	sqm		
115	Providing,laying, spreading and compacting graded stone aggregates to wet mix macadam specification including premixing the material with water at OMC in machanical mix plant,carriage of mixed material by tripper to site, laying in uniform layers with paver in sub-base/base course on well prepared surface and compacting with 3 wheeled steel roller 8-10 tonnesto achieve the desired density as per Clause 406 of MoSRT&H Specification for Road & Bridge works (4th Revision) including cost and conveyance of materials, cess, T&P etc	As per requirement	sqm		
116	Providing, spreading, laying on road surface and compacting, proper camber layer of paver inter locking blocks minimum 60 mm thickness and inscribed machine mixed and compacted having crushing strength not less then M30 including filling the interstices with sand, watering, brooming, bliding and consolidation with wooden hammer as per OPWD specification and relevent code including cost of materials, conveyance, royality, labour, cess, T&P required to the work etc. complete to finished items.	As per requirement	sqm		
117	Providing, spreading, laying on road surface and compacting, proper camber layer of paver inter locking blocks minimum 80 mm thickness and inscribed machine mixed and compacted having crushing strength not less then M40 including filling the interstices with sand, watering, brooming, bliding and consolidation with wooden hammer as per OPWD specification and relevent code including cost of materials, conveyance, royality, labour, cess, T&P required to the work etc. complete to finished items.	As per requirement	sqm		
118	Earth work in hard soil or gravelly soil within 5.00 km lead by mechanical means and Initial lead and 1.50 mt. Initial lift icluding rough dressing and bracking clods to maximum 5cm to 7cm and laying in layers not exceeding 0.30 m. in depth on the road surfce and as per the direction of the EIC.	As per requirement	sqm		
119	Transporting the excavated earth by mechanical means within 5.00 km lead including initial lead and lift, loading & unloading etc all complete.	As per requirement	sqm		
120	Fixing marble tiles in floors treads or steps and landing on 25mm thick bed of cement mortar (1:1) (1cement : 1sand) jointed with neat cement slury mixed with pigment to match the shades of the tiles including rubbing and polishing complete including cost of precast tiles.	As per requirement	sqm		
121	Fixing chequred tiles in floors treads or steps and landing on 25mm thick bed of cement mortar (1:1) (1cement : 1sand) jointed with neat cement slury mixed with pigment to match the shades of the tiles including rubbing and polishing complete excluding cost of precast tiles.	As per requirement	sqm		
122	Fixing ceramic tiles in floors treads or steps and landing on 25 mm thick bed of cement mortar (1:1) (1cement : 1sand) jointed with neat cement slury mixed with pigment to match the shades of the tiles including rubbing and polishing complete excluding cost of precast tiles.	As per requirement	sqm		

Remuna N.A.C.

123	Fixing granite in floors treads or steps and landing on 25mm thick bed of cement mortar (1:1) (1cement : 1sand) jointed with neat cement slury mixed with pigment to match the shades of the tiles including rubbing and polishing complete excluding cost of precast tiles.	As per requirement	sqm

10 *TERMINATION:*

i) In the event of Default by the Bidder:

If Bidder fails to meet its contractual obligations without sufficient reason; in accordance with the Contract; for supply/ deliver and installation/ maintenance on time, the respective ULB/ Authority may serve a notice upon the Bidder and request it to duly perform its Services as per the time line. If the bidder fails to remedy the performance deficit within a period of 7 days of notice served by the respective ULB, the Authority of ULB shall be entitled, after this period has elapsed, to terminate the Contract by written notice.

ii) ***UNILATERAL TERMINATION***

The Agreement may be terminated, in whole or in part, by the respective ULBs. When ever, for any reason, the Authority/ ULBs determines that such termination is in its best interest, termination of services shall be effected by delivery to the Bidder of a Termination Notice at least thirty (7) days prior to the termination effective date, specifying the extent to which performance of services under such termination becomes effective.

The Bidder shall be compensated for service sproperly rendered as on the effective date of termination. The ULB/Authority will not be liable for services performed after the effective date of termination.

The Bidder shall be compensated for services agreed mutually here in provided but in no case shall total payment made to the Bidder exceed the original contract price or shall any price increase be allowed on individual line items if canceled only in part prior to the original termination date.

SUBLETTING:

Subletting of work: No part of the work shall be sublet to any other agencies. In case of any deviation to above noticed at a later stage in course of work, contract shall be terminated and all the financial dues pending with the authority shall be forfeited.

FORFEITURE OF EMD

The EMD shall be forfeited and appropriated by the Authority as pre-estimated compensation and damages payable to the Authority for the time, cost and effort of the Authority, without prejudice to any other right or remedy that may be available to the Authority under this EoI document or in law under the following conditions:

a If an Applicant withdraws or modify its Proposal not acceptable to the Authority during the Proposal validity period or any extension agreed by the Applicant thereof.

b If the Applicant tries to influence the evaluation process or engages in corrupt, fraudulent, coercive or undesirable practice or restrictive practice as set out in Notice Inviting Tender.

c If an Applicant is declared the successful Applicant and it:

i Withdraws its Proposal during negotiations. However, failure to arrive at a consensus between the Client and the successful Applicant shall not be construed as withdrawal of proposal by the successful Applicant;

ii Fails to furnish the Performance Security in accordance with the Notice Inviting Tender;

iii Fails to sign and return, as acknowledgement, the duplicate copy of the Work Order;

iv Fails to fulfil any other condition precedent to the execution of the Contract, as specified in the Work Order; or

v Fails to execute the Contract.

Performance Security

Upon selection, the Agency shall furnish to the respective ULBs, a performance security of 2% of the total Work Order, on or before execution of the Contract to secure the due performance of the obligations of the Agency under the Contract (the **Performance Security**).

The Performance Security will be in the form of an unconditional, irrevocable and on-demand bank guarantee issued in favour of the ULBs in the prescribed format.

The Performance Security shall be for an amount equal to 2% of the contract value.

Executive Officer
Remuna N.A.C

12 *CONFIDENTIALITY :*

Information relating to the examination, clarification, evaluation, and recommendation for the selectionof Bidders shall not be disclosed to any person

who is not officially concerned with the process or is not a retained professional adviser advising Authority in relation to matters arising out of, or concerning the Selection Process. Authority shall treat all information, submitted as part of the Proposal, inconfidence and shall require all those

who have access to such material to treat the same in confidence. Authority may not divulge any such information unless it is directed to do so by any statutory entity that has the power under law to require its disclosure or to enforce or assert any right or privilege of the statutory entity and/or Authority or as may be required by law or in connection with any legal process.

13 ***EXECUTION OF AGREEMENT***

After acknowledgement of the Work Order as aforesaid by the Selected Bidder, Bidder will execute the Agreement with respective ULBs within the period 7 days or any date communicated by the Authority after submitting the Performance Bank Guarantee as per Clause . The Selected Bidder will not be entitled to seek any deviation in the Agreement.

14 ***PERFORMANCE BANK GUARANTEE***

i) The qualified Bidder(s) to whom the Work Order (WO) is issued shall be required to give Performance Bank Guarantee ("PBG") for the amount equivalent to 2% of the contract value. PBG will be in the form of Bank Guarantee (BG) of any Commercial Bank drawn int he name of Authorised person indicated in the Work order placed by the respective ULB.

ii) The Authority of the respective ULBs shall have the right to invoke the PBG without assigning any reasons if the qualified Bidder defaults to terms and conditions of the contract and empanelment will be cancelled.

iii) Successful bidder shall be required to give PBG within 7 days of issuance of Work Order by the Authority of respective ULBs.

iv) The PBG shall be immediately replenished by the Bidder in the event PBG is invoked by the Authority of respective ULB during execution of order.

v) The PBG should remain valid for an additional period of 60 (Sixty) days beyond the timelines mentioned in the WO including Defect Lability Period.

Executive Officer
Remuna N.A.C.

15 *PAYMENT TERMS*

The payments will be made by Executive Officer, ULB (subject to deduction of statutory taxes and levies, if any) as follows:

The total duration of the contract shall be 36 (thirty-six) months (Contract Period). Payment shall be made on monthly basis. Payment will be made monthly on submission of Invoice in duplicate to the employer as per the agreed terms and conditions.

The agency shall at its sole expense and risk, carry out the operations and maintenance work.

The agency shall carry out the repair and maintenance at the locations provided in strict compliance with all applicable laws.

Selected Bidder is required to first obtain ULB's written approval on his proposed repair and maintenance plans. If ULB is not satisfied and raises any objections, the licensee shall be required to appropriately amend/modify his plans within a reasonable time frame and seek ULB's approval once again. The authorized representative/ officials of ULB will have full and unfettered access to inspect and check the materials before and after installation.

All instructions issued by them in this regard will be complied with in full and within time stipulated by the said officials. No claim or compensation will be sought by the Bidder on this account.

The Selected Bidder shall be solely responsible and liable, at his own cost, for all maintenance, upkeep and repairs of the equipment's and its entire components.

16 *DISPUTE SETTLEMENT MECHANISM*

All disputes or differences arising out of or in connection with the present contract including the one connected with the validity of the present contract or any part thereof should be settled by bilateral discussions. The Authority and the Successful bidder shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the Contract.

Director, Municipal Administration will be the Arbitrator from the H&UD

17 *JURISDICTION:*

The Jurisdiction to deal with and decide any legal matter or dispute whatsoever arising shall out of this contract shall be Bhubaneswar.

18 *ARBITRATION:*

Any dispute or differences which may arise out of this Contract & can not be settled amicable way between the contracting parties shall be settled by Arbitration.

Executive Officer
Remuna N.A.C.

Appendix- 4

The Standard Terms and Conditions ("Terms") only apply to transactions that do not have a written agreement, duly executed by both parties. If there is such an agreement, then those terms shall be the terms that govern the transaction and relationship of the parties.

In the absence of such a written agreement, duly executed by both parties, then these Terms provide the "Agency" with the guidelines and legal stipulations of the Work order ("Order") with the Urban Local Bodies – ULBs ("Authority") for the goods and/or services that are described on the face of the Order.

1. Acceptance and terms and conditions: Agency accepts this Order and any amendments by signing the acceptance copy of the Order and returning it to Authority promptly. Even without such written acknowledgment, Agency's full or partial performance under this Order will constitute acceptance of these Terms. By acceptance of this Order, Agency agrees to be bound by, and to comply with all these Terms, which include any supplements to it, and all specifications and other documents referred to in this Order. These Terms apply to everything listed in this Order and constitute Authority's offer to Agency, which Authority may revoke at any time prior to Agency's acceptance. This Order is not an acceptance by Authority of any offer to sell, any quotation, or any proposal. Reference in this Order to any such offer to sell, quotation, or proposal will not constitute a modification of any of these Terms. Terms and conditions different from or in addition to these Terms, whether contained in any acknowledgment of this Order, or with delivery of any goods or services under this Order, or

Executive Officer
Ramuna N.A.C

otherwise, will not be binding on Authority, whether or not they would materially alter this Order, and Authority hereby rejects them. These Terms may be modified only by a written document signed by duly authorized representatives of Authority and Agency.

2. Default: Time is of the essence of this Order. Authority may by written notice of default to Agency (a) terminate all or any part of this Order if Agency fails to perform, or so fails to make progress as to endanger performance of this Order in accordance with its terms, and does not cure such failure within a period of ten (10) days (or such longer period as Authority may authorize in writing) after receipt of notice from Authority specifying such failure; and (b) procure, on such terms as it will deem appropriate, goods or services similar to those so terminated. Agency will continue performance of this Order to the extent not terminated and will be liable to Authority for any excess costs for such similar goods or services. As an alternate remedy, and in lieu of termination for default, Authority, at its sole discretion, may elect to extend the delivery schedule and/or waive other deficiencies in Agency's performance, in which case an equitable reduction in the Order price will be negotiated. If Agency for any reason anticipates difficulty in complying with the required delivery date, or in meeting any of the other requirements of this Order, Agency will promptly notify Authority in writing. If Agency does not comply with Authority's delivery schedule, Authority may require delivery by fastest way and charges resulting from the premium transportation must be fully prepaid and absorbed by Agency

3. Price: This Order must not be filled at a price higher than shown on the face of the Order. If no price is set forth on the front of the Order, the goods or services will be billed at the price last quoted or at the prevailing market price, whichever is lower, and, in any event, goods and services ordered under this Order will not be billed at a higher price than last quoted or charged without Authority's specific written authorization. Authority will be entitled at all times to set off any amount owed at any time by Agency or any of its affiliates to Authority or any of its affiliates against any amount payable at any time by Authority in connection with this Order. No extra charges of any kind will be allowed unless specifically agreed to in writing by the Authority. All applicable taxes arising out of transactions contemplated by the Order will be borne by Agency except as otherwise specified by the parties in writing. If Agency reduces its prices for such goods and/or services during the term of this Order, Agency shall correspondingly reduce the prices of goods and/or services sold thereafter to Authority under this Order.

4. Invoices, payment, and taxes:

(a) GST shall be paid as per applicable rate. All other taxes, duties and octroi shall be born by the Agency

(b) Invoices shall be rendered on completion of services or delivery of goods and shall contain the Work Order Number, item number, description of goods or services, quantities, unit prices, date(s) rendered and total Work price. Each invoice must refer to one, and only one, Work order.

(c) Invoices for contingent workers must contain all of the above where applicable and include a copy of the ULBs time tracking document for each contingent worker for the time period being billed

(d) Payment shall be made on the terms of net 30 days from the date of invoice. All claims for money due or to become due from Authority shall be subject to deduction by Authority for any setoff or counterclaim arising out of this or any other of Authority's Orders with Agency.

6. Inspection: All goods and services will be subject to inspection and test by Authority at all

Executive Officer
Remuna N.A.C.

times and places, including the period of manufacture and in any event prior to final acceptance. Final acceptance or rejection of the goods or services will be made as promptly as practical after delivery except as otherwise provided in this Order, but failure to inspect and accept or reject goods or services or failure to detect defects by inspection, will neither relieve Agency from responsibility for such goods or services as are not in accordance with this Order nor impose liabilities on Authority for them. If any of the goods or services are found at any time to be defective in material or workmanship, or otherwise not in conformity with the requirements of this Order, including any applicable drawings and specifications, then Authority, in addition to such other rights and remedies it may have by contract or by law or equity, at its sole discretion may reject and return such goods at Agency's expense, require Agency to inspect the goods and remove nonconforming goods and/or require Agency to replace nonconforming goods or services with conforming goods or services. If Agency fails to make the necessary inspection, removal, and replacement in a time and manner satisfactory to Authority, Authority may at its option inspect and sort the goods; Agency will pay any related costs.

7. Warranties: Agency represents and warrants that

(a) all goods and services are free of any claim of any nature by any third person and that Agency will convey clear title to Authority,

(b) all services are performed in a manner acceptable in the industry and in accordance with generally accepted standards, are free from all defects, are fit for the particular purposes for which they are acquired, and are provided in strict accordance with the specifications or other requirements (including performance specifications) approved or adopted by Authority,

(c) all goods sold will be of merchantable quality, free from all defects in design, workmanship and materials, and fit for the particular purposes for which they are ordered and that the goods and services are provided in strict accordance with the specifications, samples, drawings, designs or other requirements (including performance specifications) approved or adopted by Authority, and

8. Indemnification: Agency shall indemnify and hold Authority harmless and, on Authority's request, shall defend the Authority from and against any or all third party claims, demands, litigation, or proceedings of whatever kind, whether based upon negligence, breach of express or implied warranty, strict liability, infringement of intellectual property rights, or any other theory, and from and against all direct, indirect, special, exemplary, incidental or consequential damages of every kind whatsoever, arising out of, by reason of, or in any way connected with the goods and/or services, the design, manner of preparation, manufacture, construction, completion, or delivery or non-delivery of any goods and/or services by Agency, any breach by Agency of any of its obligations hereunder, or any other act, omission or negligence of Agency or any of Agency's employees, workers, servants, agents, subcontractors, or suppliers. Agency shall, on request, pay or reimburse Authority or any other party entitled to indemnification hereunder for all costs and expenses, including attorneys' fees, as incurred by Authority or such other party in connection with any such claim, demand, litigation, proceeding, loss, or damage. In addition, for infringement claims, Agency will, at its own expense and at Authority's option, either procure for Authority the right to continue using the allegedly infringing item, replace it with a non-

Executive Officer
Remuna N.A.C.

infringing equivalent, or remove it and refund the Work price and the transportation and

9. Limitation of liability: Authority's aggregate liability arising from or relating to this order is limited to the amount paid by Authority for the goods and/or services. To the maximum extent allowable under applicable law, Authority shall not be liable under this order for any special, accidental, incidental, consequential, indirect, or punitive damages including, without limitation, lost revenues even if Authority has been advised of the possibility of such damages.

10. Authority's property: Tangible or intangible property of any nature furnished to Agency by Authority or specifically paid for in whole or in part by Authority, and any replacements or attachments, are the property of Authority and, unless otherwise agreed in writing by Authority, will be used by Agency solely to render services or provide goods to Authority. Agency will not substitute any property or take any action inconsistent with Authority's ownership of such property. While in Agency's custody or control such property will be held at Agency's risk, will be kept insured by Agency at its expense for its replacement cost with loss payable to Authority, and will be subject to removal at Authority's written request, in which event Agency will prepare such property for shipment and redelivery / relocation to Authority in the same condition as originally received by Agency, reasonable wear and tear excepted, all at Agency's expense.

11. Changes: At all times Authority will have the right to make changes to this Order, including changes to drawings, designs, configurations, specifications, quantities, methods of shipment or packing and delivery schedules or location of delivery. If any such changes cause an increase or decrease in the cost of or the time required for the performance of any work under this Order, an equitable adjustment will be made in delivery schedule, if required and at the discretion of the Authority, and this Order will be modified in writing accordingly. Nothing in this Section, including any disagreement with Authority as to any claimed adjustment, will excuse Agency from proceeding with this Order as changed. Any claim by the Agency for adjustment under this Section 11 must be in a detailed writing and delivered to Authority within five (5) days after the date Agency receives notification of change. Any change will be authorized only by a written communication from the Authority and/or duly executed amendment to this Order. Information, such as technical information or guidance provided to Agency by representatives of Authority, will not be construed as a change within the meaning of this Section. If Agency considers that the conduct of any of Authority's employees has constituted a change under this Order, Agency will immediately notify the Authority, in writing, as to the nature of the change and any proposed adjustment, which will then be subject to this Section 11.

12. Compliance with laws: Agency represents and warrants that it is in compliance with and all goods and/or services supplied hereunder have been produced or provided in compliance with the applicable provisions of all state, or municipal / local laws or ordinances and all related lawful orders, rules and regulations. Agency shall comply with any provisions, representations, or agreements, or contractual clauses required to be included or incorporated by reference or operation of law in any Order. Agency shall be required to obtain and pay for any license, permit, inspection or listing by any public body or certification organization required in connection with the manufacture, performance, completion or delivery of any good and/or service.

14. Work on Authority's premises: For Agency's work under this Order requiring the Agency to be on the premises of Authority or at Authority's direction, Agency will take all necessary precautions to prevent any injury to persons or damage to property, including following any

Executive Officer
Remuna N.A.C

rules, procedures or other requirements of Authority.

15. Insurance: Agency will maintain Comprehensive General Liability (including Contractual Liability coverage insuring the liabilities assumed in these Terms), Automobile Liability and Employers' Liability insurance with limits as reasonably required by Authority, as well as appropriate Workers' Compensation insurance as will protect Agency from all claims under any applicable workers' compensation and occupational disease acts. At Authority's request, Agency will furnish to Authority a Certificate of Insurance completed by its insurance carrier(s) certifying that the required insurance coverage is in effect, with waiver of subrogation, naming Authority as an additional insured, and containing a covenant that such coverage and will not be cancelled or materially changed until ten (10) days after prior written notice has been delivered to the Authority.

16. Termination: Authority may terminate all or any part of this Order for convenience at any time by written notice to Agency. Upon such termination, Authority's liability will be limited to payment of work done commissioned till date by the Agency and any item of Goods received but pending installation from the Agency. This Order shall terminate automatically, without notice, if Agency becomes insolvent or the subject of any proceeding under the laws relating to bankruptcy or the relief of debtors.

18. Miscellaneous:

(a) *Non-assignment*: Assignment of this Order or any interest in it or any payment due or to become due under it, without the written consent of the Authority, will be void. An assignment will be deemed to include not only a transfer of this Order or such interest or payment to another party but also a change in control of Agency, whether by transfer of stock or assets, merger, consolidation, or otherwise.

(b) Agency*'s inventory*: Authority will have no obligation to request quotations or place Orders with Agency, both of which will be in Authority's sole discretion. Authority acting in its sole discretion will determine the actual quantity of goods or services to be procured. The quantity of goods or services, if any, specified in estimates and forecasts supplied by Authority from time to time, or otherwise, is an estimate only. Agency bears sole responsibility for managing Agency's raw material, work in process, and inventory, and Authority will have no liability with respect thereto (whether upon termination of this Order or otherwise) other than in connection with termination as provided in Section 16.

(c) *Force majeure*: Authority may delay delivery and/or acceptance occasioned by causes beyond its control.

(d) *Remedies*: Each of the rights and remedies reserved to Authority in this Order shall be cumulative and additional to any other remedies provided in law or equity. No delay or failure by Authority in the exercise of any right or remedy shall affect any such right or remedy and no action taken or omitted by Authority shall be deemed to be a waiver of any such right or remedy.

(e) *Publicity*: Agency will not use Authority's name or logo in publicity, advertising, or similar activity, except with Authority's prior written consent. Agency will not disclose the existence of this Order or any of its respective terms to any third party without Authority's prior written consent except in normal course of Agency's business activities requiring participation in

Executive Officer
Remuna N.A.C

tenders.

(f) *Documentation*: It is agreed that all technical documentation and other literature necessary for the proper use of the goods or services will be provided to Authority with the goods or services, unless otherwise directed by Authority, and its cost is included in the price.

(g) *Governing law*: This Order, these Terms, and all related transactions, will be interpreted under and governed by the laws of Republic of India and the State of Odisha and the jurisdiction of the High Court of Orissa at Cuttack.

(h) *Dispute resolution*: Disputes arising under this Agreement will be resolved by the parties mutually through good faith negotiations in the ordinary course of business. Any dispute not so resolved will be submitted for binding arbitration, at the written request of either party, before a single arbitrator as per mutual agreement of the parties.

(i) *Severability*: If any provision of this Order shall be held or deemed to be or shall, in fact, be illegal, inoperative or unenforceable, this provision shall not affect any other provision or provisions contained in this Order.

(j) *Entire agreement*: Provided that there is no written agreement, duly executed by both parties, applying to the transaction, this Order, with such documents as are expressly incorporated by reference, is intended by the parties as a final expression of their agreement with respect to such terms as are included in it, and is intended also as a complete and exclusive statement of the terms of their agreement. No course of prior dealings between the parties and no usage of the trade will be relevant to determine the meaning of this agreement even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity for objection.

(k) Corrupt and Fraudulent Practices

i. The Applicant (including its officers, employees, agents and advisors), its Personnel and Affiliates shall observe the highest standards of ethics during the bid process. Notwithstanding anything to the contrary in this RFP, the Client shall reject a proposal without being liable in any manner whatsoever to the Applicant if it determines that the Applicant has directly or indirectly through an agent engaged in any corrupt practice, fraudulent practice, coercive practice, collusive practice, undesirable practice or restrictive practice, as defined in Notice Inviting Tender by the ULBs.

ii. To this end, the Applicant shall permit and shall cause its agents and Personnel to permit the Client to inspect all records, and other documents relating to the submission of the Proposal.
